

QS Range

The QS range of flail mowers is specifically designed for the maintenance of fine turf areas such as parks, sports fields and golf courses.

Utilising a specialist flail the quality of cut and the resulting finish is to the same exacting standard as a cylinder mower, coupled with this the robust build quality allows the machine to be effective on areas that are maintained only twice per year.

- 1.5, 1.8 and 2.1 metre Cutting Widths
- Three Point Linkage Mounting
- Manual Adjust Front and Rear Mounting
- Manual Offset
